Marvin Nichols #1

Portanova,
aside from your help (ahem)
in Chemistry, which wasn't too
cool and the mess you call
work in Algebra II + Trig, you're a
pretty neat guy (so is your computer).
Stay with it.

Dedication

The Plainsman Staff proudly dedicates the 1972-1973 annual with grateful appreciation to a lady whose knowledge, ability, dedication and good humor have helped make Clovis High School a place of distinction.

She has been in the Clovis School System for five years, during which time she has elevated the status of her office to one which is second to none in New Mexico High Schools.

This lady has supported all school functions and activities with enthusiasm and love, as well as maintaining high professional standards in her field. She has lettered in Donkey Basketball for two consecutive years.

This lady is a lady in every sense of the word and it is with sincere best wishes in the years to come that we dedicate this yearbook to our Madame Librarian, Mrs. Mona Robinson.

On The Way

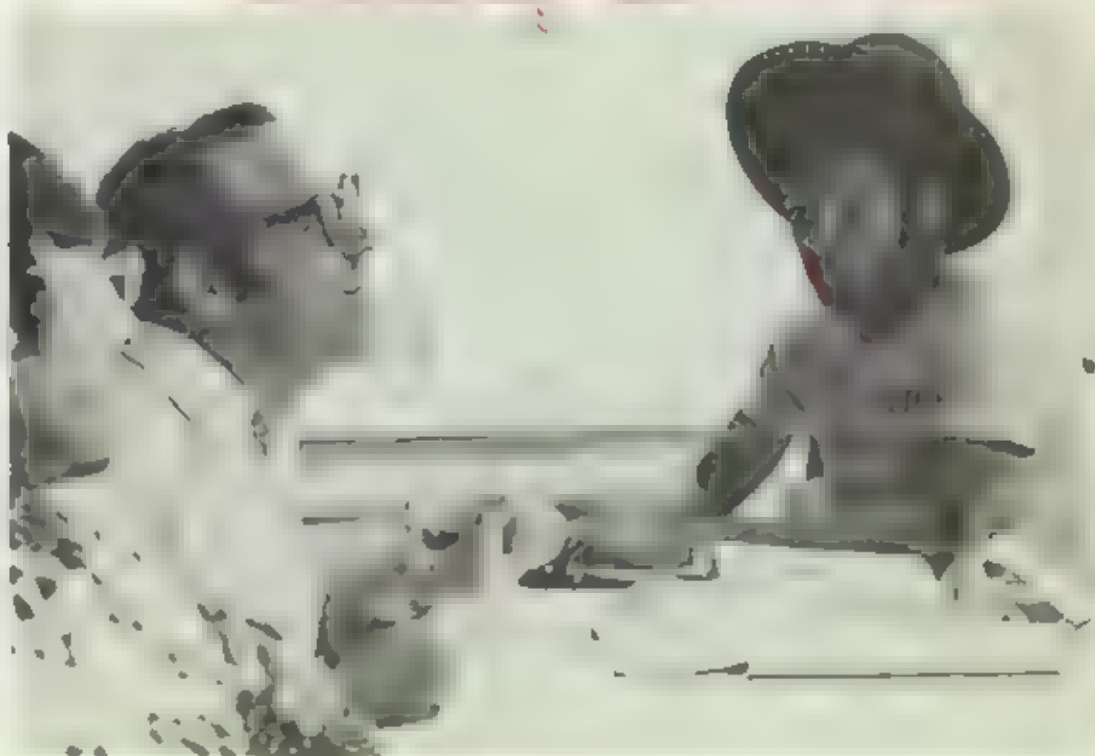

*On the way to where we're goin',
End up far from here.
Lasting words of peace and wisdom:
Gaining hope from fear.
Comin' to a brand new high,
Leave the ground and touch the sky;
Light the sun and make a way
For other people on the way.*

*On the Way to where we're goin',
The road will end too soon.
For chasing wild, elusive dreams
And following the moon.
We're gonna have to know
Where to stay and when to go,
Just make a stand and leave a way
For other people on the way.*

The Book of Wisdom

I met a seer

He held in his hands

The book of wisdom

"Sir," I addressed him,

"Let me read."

"Child —" he began

"Sir," I said,

"Think not that I am a child,

For already I know much

Of that which you hold;

Aye, much

He smiled

Then he opened the book

And held it for me

Strange that I should have grown

So suddenly blind.

The Road Not Taken

*Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler long I stood
And looked down one as far as I could
To where it bent in the undergrowth;
Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,
And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.
I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood and I —
I took the one less traveled by
And that has made all the difference.*

Today

So here hath been dawning

Another blue day:

Think, wilt thou let it

Slip useless away?

Out of eternity

This new day is born;

Into eternity,

At night, will return.

Behold it afore time

No eye ever did;

So soon it forerun

From all eyes is hid.

Here hath been dawning

Another blue day:

Think, wilt thou let it

Slip useless away?

Youth

You hear youth laughing down green
budding aisles,

You glimpse her dancing limbs, her
hair of gold,

The care-free, sweet defiance of
her smiles,

For you are old.

But I can see her eyes gray with
alarm,

Misty with longings that can find
no tongue,

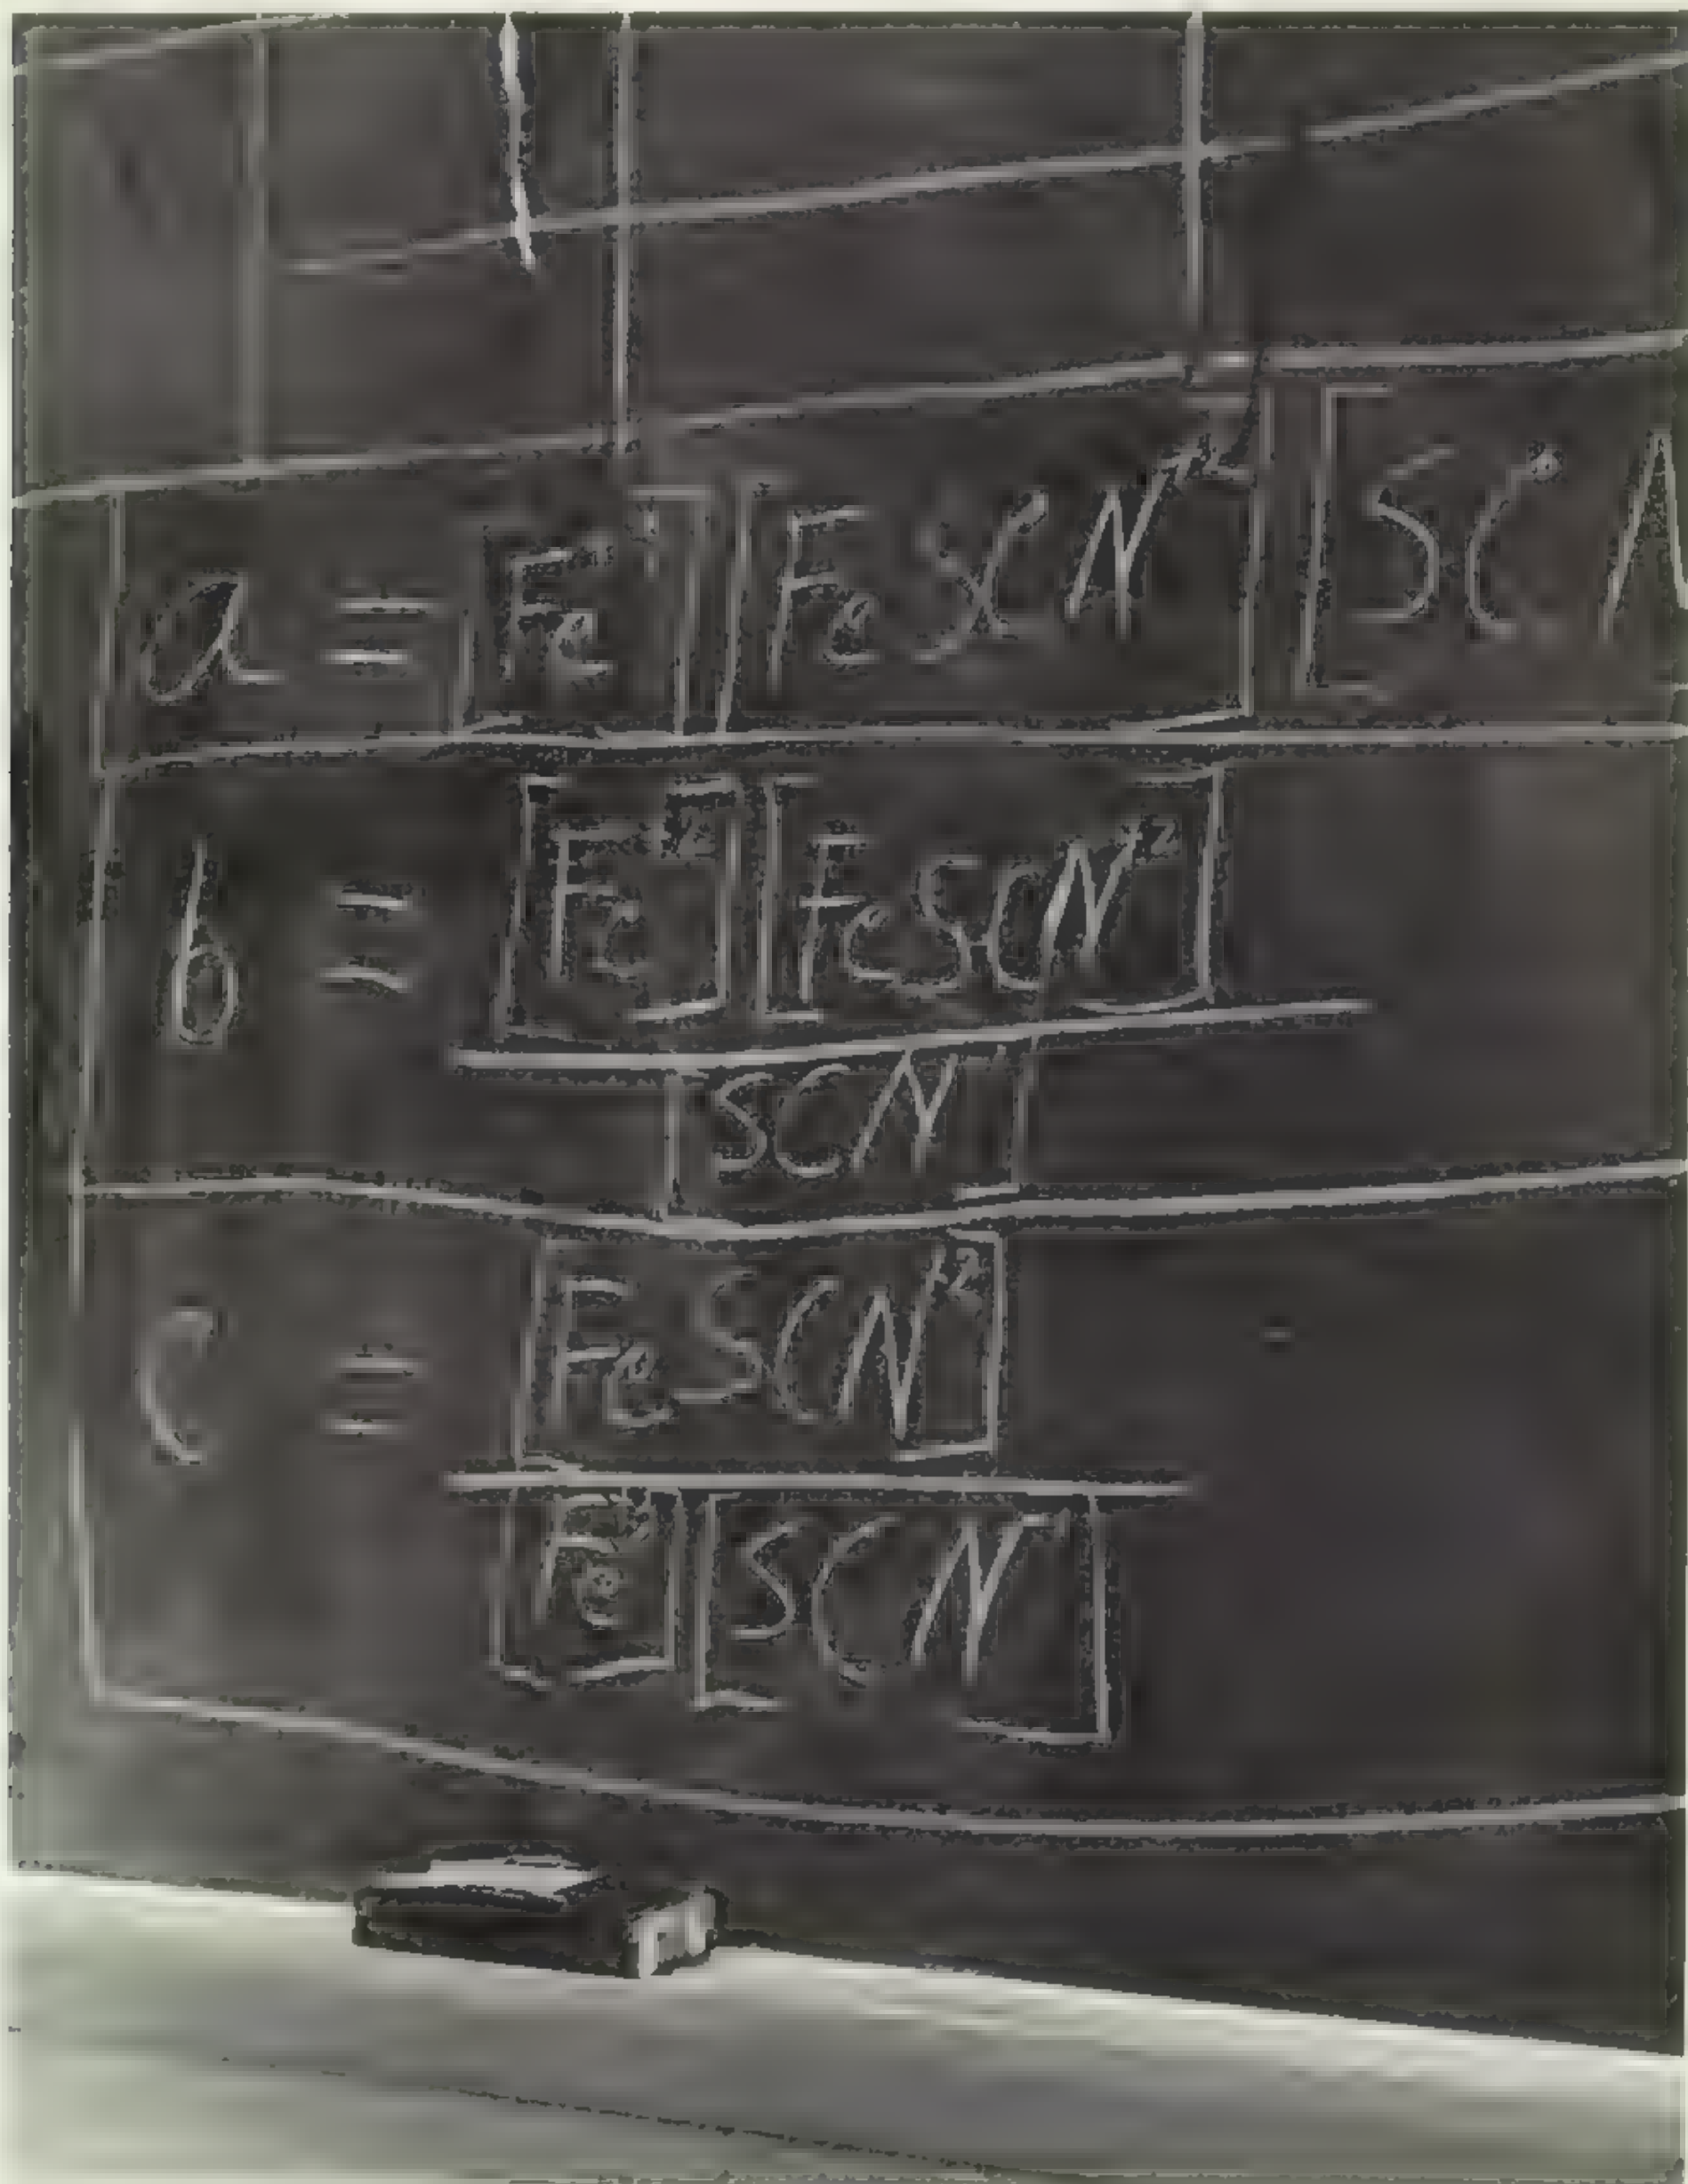

The hooded future clutching at
her arm,

For I am young.

Hi-Ak

HI-AK is an organization that puts the service of young girls together to form a high aims club for the service of other people. A girl becomes a member by being chosen to become a pledge. After pledge week the girls are formally installed into the club. Being a service organization the club does many things. The girls have donated to the United Fund. They sponsored a Christmas party for some less fortunate children of Clovis. The members of the club also helped in the campaigns. While helping and having fun the girls follow one simple rule; make the good better and the better best.

CHS Sophomores, 72-73

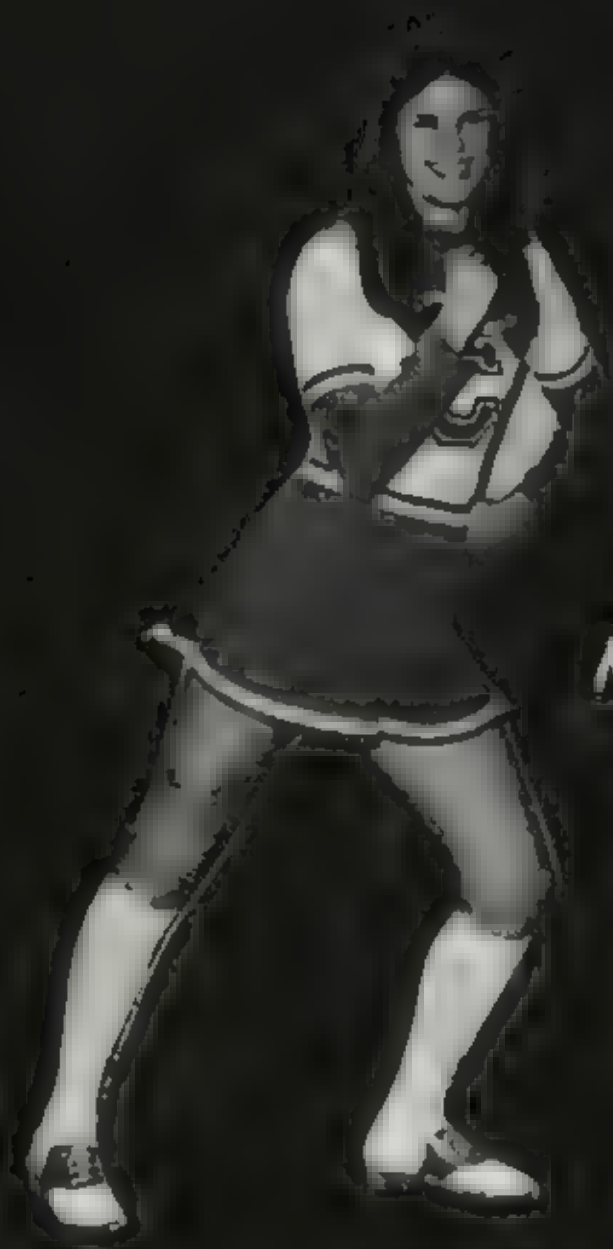

The team is made up of 6 Juniors and 7 Sophomores. The J. V. placed 5th in the Hobbs J. V. Tournament and 3rd in the Alamogordo J. V. Tournament. When the season started, there were no players with prior experience on the team. Because of this inexperience, the team has been very inconsistent. As the season progressed the team gained consistency and character. The team is blessed with great quickness and a very unselfish attitude. It is a team that works very hard during and after practice. These young men have learned to take defeat graciously, and have learned to take pride in a well-played victory.

The 1972 North-South Cheerleading Convention was held in Clovis on November 18. Squads from all over the state came to compete, learn new yells, and chants, and to learn a pom-pom routine. The theme this year was "Our World and Welcome to It." Also new officers were elected. The judging was conducted by each squad. The North was judged by the South and the South by the North. Winning in the North division was Manzano High who will cheer for the All-State basketball game and second place went to Highland who will cheer for the football game. In the South, the winners were Clovis who will cheer for the All-Star football game and second went to Hobbs who will cheer for the basketball game.
